Product Description

GiANT Loaders - GP2155G Vibratory Plate

GiANT's lineup of vibratory plate compactors and rammers presents powerful alternatives for contractors seeking GiANT strength and reliability. Choose from standard vibratory plates, reversible plates, and electric vibratory plates or rammers to **WORK SMARTER, NOT HARDER**.

Tobroco Machinery, in Cedar Falls, Iowa, is the exclusive distributor for GiANT Compaction Equipment. GiANT products are developed and manufactured in the Netherlands for hardworking professionals throughout North America.
