Product Description

POWER BROOM GENERAC

Get larger areas cleaned faster with this Generac 12" Power Broom. It's designed to work with pressure washers rated up to 4000 PSI. With four powerful nozzles, the pressure washer power broom provides a 12" cleaning path. It's ideal for decks, patios and walkways, giving you plenty of places to use it. The Generac power broom features durable housing that minimizes over-spray. The solid molded wheels provide a smooth rolling motion, making it easy for you to move it around as needed. The compact size of the broom allows you to easily store it in your workshop or garage when not in use. It's simple to attach to your washer so you can begin using it right away. The lightweight construction helps ensure you can use it smoothly. This Generac 12" Power Broom will make a handy addition to your cleaning supplies.
