Product Description

Pallet Forks FOR (MINI SKID)

The Blue Diamond® Mini Pallet Forks for mini skid steer and mini track loaders offer great visibility without sacrificing durability. These tough mini pallet forks use a Class 2 fork tine hung on a machined carriage bar that allows the tines to be locked in various positions.

FEATURES INCLUDE :

Non-floating tines are hooked in, top and bottom

Durable backrest for tough working conditions

Fork tines lock in multiple positions

Mini pallet fork tines are available from 36" to 48" long

1-year warranty
