Product Description

AUGER ATTACH

The Blue Diamond® Extreme Duty Series 2 Auger offers the ultimate in performance, quality, and cost-effectiveness for digging post holes and drilling soil with skid steer machines. Designed with high-grade materials and innovation, this attachment allows the gearbox to go down the hole, maximizing drilling depth while eliminating downtime. Blue Diamond skid steer auger attachments are perfect for drilling in most ground conditions.

FEATURES INCLUDE :

Compact high torque manufactured gearbox

2 piece shaft design ensuring maximum side load ratings

5-year gearbox warranty, 3-year motor warranty, and lifetime shaft pull-out warranty
