Product Description

DITCH WITCH C16X w/2-1/2' / 4" Cut w/Trailer

POWER

16-hp (11.9-kW) Vanguard® engine keeps the C16X performing for rental income you can count on, year after year.

RELIABILITY

Robust, straightforward pivot design is maintenance-free and increases unit uptime. Greaseless sealed bearing design with construction-grade seals help increase machine longevity. Standard outboard bearing support stabilizes the headshaft and auger for reliable productivity trench after trench.

EASE OF USE

Easy-touch controls are smoother and lighter for less operator fatigue and increased machine responsiveness. Hydrostatic, skid-steer style steering provides easier operation. Simple, open design allows for quick, easy service access.

OPTIONS

Easy-to-operate backfill blade is much faster and less expensive than shovels, increasing productivity and rental revenue. Ditch Witch also offers the S3C Trailer, a single-axle design with a new rail system for easy loading and unloading of equipment of up to 3,500 lb (1,588 kg).

SUPERIOR CUSTOMER SUPPORT

Your Ditch Witch equipment is backed by a worldwide network of dealers you can count on for unmatched commitment to your success. From genuine Ditch Witch parts to factory-trained service to expert advice, your Ditch Witch dealer has it all for you.
