### Product Description

## KUBOTA SSV65 TIRE SKID

When you're looking for the versatility of a loader, dozer or forklift without the bulk, the Kubota SSV65 gives you the tools to get the job done. Featuring the widest cab in the market with a roll up door, the SSV65 keeps you comfortable as you make use of its 64 horsepower and dominant hydraulics. No matter the job, no matter the terrain, the SSV65 makes itself at home and takes your performance to greater heights.
