Product Description

DITCH WITCH SK1050

Ideally suited for a variety of demanding jobsites, the Ditch Witch SK1050 mini skid steer improves versatility and productivity by directing more hydraulic power to the attachment. The durable, construction-grade design eases operator maintenance for improved ROI, and outperforms all other working machines in its class. Designed specifically for the hardworking operator in mind, the best-in-class, spring-supported operator platform improves comfort for long hours on the job.
