Product Description

KUBOTA KX018

Digging has never been easier than with the Kubota KX018-4 compact excavator. Combine the KX018-4's 16.1 horsepower with superior maneuverability and versatility, and you'll never worry about whether or not you can get the job done. Dig to your heart's desire and do it comfortably, in the KX018-4's spacious optional cab. There's never been a better way to move ground.
