Product Description

34' NIFTY LIFT TOWABLE / 2" Ball

The Nifty TM34 is a robust and versatile towable cherry picker. It has retractable axles that allow it to pass through a 3ft 7in wide opening or doorway giving better access to applications.

As standard, the TM34 comes with manual outriggers which are cost-effective and simple to set up.

Machine operation is quick, easy and precise due to reliable fully proportional controls and its versatile battery power pack enables the TM34 to work inside and out quietly and with zero emissions.

The TM34 is a fast, cost-effective and safe alternative to ladders and scaffolds.
