Product Description

WALLPAPER STEAMR WARNER

Remove wallpaper like a pro with the Electric Wallpaper Steamer from Warner. Draws 1,500 watts. Push to release weight cap with lanyard cable, so it will not fall off or get lost. Attachment hooks provide convenient access and storage for pan and hose. Includes narrow and standard steam pans, 15' steam hose, 15' electric cord with GFCI housing and extra water gauge glass. ***SPECIAL ORDER***
