Product Description

TRANSFER PUMP 3/4 WATER HOSE

Get the water out quickly and easily with the Sportsman Series 1" 2-Cycle Water Transfer Pump With 3/4" Garden Hose Adapter. Attach a garden hose, and you have an versatile and easy to use Transfer Pump to have on hand for emergencies or jobs around the house and farm. Equipped with a standard 1" inlet and 1" outlet, the Sportsman Series Transfer Pump is also adaptable to fit a 3/4" home garden hose on both ports, making this unit easier to use and more versatile than other models.
