Product Description

MiniMax Big Green Egg: Compact Ceramic Kamado Grill for Outdoor Cooking Excellence

The **MiniMax Big Green Egg** delivers professional-grade outdoor cooking in a compact design. This versatile ceramic kamado grill excels at grilling, smoking, roasting, baking, and searing with precision temperature control.

Perfect for small spaces, patios, and tailgating, the MiniMax offers the same premium ceramic construction as larger Big Green Egg models in a portable package.

Key Specifications and Features

Specification	Measurement
Height	19.5 inches (50 cm)
Diameter	13 inches (33 cm)
Cooking Surface	133 square inches (855 cm ²)
Weight	76 pounds (35 kg)
Temperature Range	200°F to 750°F (93°C to 399°C)

Premium Ceramic Kamado Construction

Built with the same high-quality ceramics as all Big Green Egg models, the MiniMax provides:

- **Superior heat retention** for consistent cooking temperatures
- **Fuel efficiency** using natural lump charcoal
- **Moisture retention** for juicier meats and vegetables
- **Durability** for years of outdoor cooking performance

Cooking Capacity and Performance

The **13-inch stainless steel cooking grid** accommodates:

- Up to 4 hamburgers or chicken breasts
- 1 whole chicken (up to 4 pounds)
- 2-3 racks of ribs (cut in half)
- Multiple vegetables for grilling or roasting

Big Green Egg Accessories and Add-ons

Enhance your MiniMax cooking experience with compatible accessories:

- **Portable Nest** - Mobile stand for stability and portability
- **EGG Mates** - Side tables for food preparation and storage
- **rEGGulator** - Precision temperature control system
- **Cast iron grates** - Enhanced searing capabilities
- **Baking stones** - Perfect for pizza and bread

Premium Seasonings and Charcoal

Complete your setup with Big Green Egg's signature products:

- Premium lump charcoal for clean burning and flavor
- Gourmet spice rubs and seasonings
- Wood chips and chunks for smoking

Ideal for Every Cooking Style

The MiniMax Big Green Egg excels across multiple cooking methods:

- **Grilling** - High-heat searing for steaks and burgers
- **Smoking** - Low and slow cooking for brisket and ribs
- **Roasting** - Even heat for whole chickens and vegetables
- **Baking** - Pizza, bread, and desserts
- **Searing** - Restaurant-quality char marks

Perfect for Small Spaces and Portability

Designed for versatility, the MiniMax fits perfectly in:

- Small patios and balconies
- Tailgating setups
- Beach houses and vacation homes
- RV and camping adventures
- Urban outdoor spaces
